Instructions

Cut a 4" x 6" piece of green patterned paper and glue to the front of the blank card. Cut a piece of brown crinkle paper to the same dimensions and tear along one side to create a piece approximately 4" x 4". Glue to the left half of the card front. Cut a piece of green patterned paper to 2½" square and punch an opening in the center using a 1⁹/₁₆" square punch to create a frame. Glue the photo the wrong side of the frame so the image is centered when viewed through the front. Glue this at an angle on the left half of the card. Apply a sentiment sticker in the upper right of the card, or use other lettering to create your desired message. Using the Celtic Knot Fold-It Swirl Punch, punch out the design from brown crinkle paper and fold according to manufacturer's instructions. Attach with an eyelet to the lower right of the card using an eyelet setting tool.
