

Kid's Hat & Scarf

Herrschners®

Materials

1 ball (3½ oz, 124 yds) each Moda Dea Metro yarn
-Vanilla (9317)
-Berry (9920)
-Very Pink (9924)

What You'll Need

Bucilla® Knit-Wit® Tool Kit (013802)
Bucilla Doodle-Loom® Tool Kit (013803)
Bucilla Bow-Tassey

Hat Directions

Strip 1: Following manufacturer's instructions, make 7 medium square Knit-Wits in the following color sequence: Very Pink, Vanilla, Very Pink, Berry, Vanilla, Very Pink, Berry.

Strip 2: Make 7 small square Knit-Wits in the same color sequence as Strip 1.

Strip 3: Repeat Strip 2.

Joining

Sew Strip 2 to Strip 3, matching color squares. Sew Strip 1 to bottom of Strip 2, offsetting the squares 2 knots to the right. Sew up the back seam, keeping the offset pattern.

Pom-Pom

Gather the top edge into a point. Use the Doodle-Loom to make a pom-pom using all 3 yarn colors held together as one. Sew the pom-pom onto the top of the hat.

Earflap (Make 2)

Make a large Very Pink square and sew it on top of the side Very Pink square at an angle pointing downward. Repeat on opposite side.

Use the Bow-Tassey tassel maker to make 2 tassels with 8 wraps of all 3 yarn colors at the 2.5 setting for hat tassels. Sew them onto the bottom points of the earflaps.

Scarf Directions

Note: The center striped motif is done while making each Knit-Wit square.

Make a strip of 13 medium Knit-Wit squares in the following color sequence: Berry, Vanilla, Very Pink, ending with a Berry square. Construct each square as you normally would, but before taking the square off the Knit-Wit tool to make the next one, follow these steps to make the center striped embellishment: Cut a 24" length of all 3 colors and thread them onto the needle. Pull all 3 colors through together from the inside circle toward the outside until about 4" remain. Stitch around the entire center and make a single knot with the starting ends. Weave in each end individually and trim off ends. Now pop the embellished square off the tool and repeat for each square.

Scarf Tassels

To make the tassels on the ends of the scarf, wrap all three colors 7 times around the Bow-Tassey tassel tool at the 4 setting. Gather the ends of the scarf into a point and tie the tassels onto the ends.
