One 12" x 6" piece of 11ct. White Aida by \ y gki ctv

DESIGN SIZE

11ct. = 5³/₄" x 2³/₄"

FINISHING MATERIALS

1/2"-wide fusible web tape

One pair Sew-On Velcro® tabs, white

White sewing thread

GENERAL INSTRUCTIONS

Center the design and begin stitching. Work cross-stitches with two strands of cotton embroidery floss. Use one strand of cotton embroidery floss to work French knots and backstitches. Carefully press the needlework from the back.

FINISHING INSTRUCTIONS

Measure the circumference of your candle. Add 4" and use this measurement for cutting the length of the candle band. Trim the width of the band to 1" from the stitched design on the top and bottom. Fold the top and bottom edges to the back at the line of stitching and affix in place using fusible web tape according to the manufacturer's instructions. At both short ends of the candle band, fold 1" to the back of the piece and secure with fusible web tape. With the wrong side up, sew the "hook" Velcro tab to one end of the candle band by hand or machine. Turn the piece right side up and apply the "loop" Velcro to the other end. Wrap the candle band around the candle and join.
