Directions:

STITCH GUIDE

I-Cord

With double pointed needle, cast on 4 stitches. * Slide stitches to other end of needle, k4, pulling yarn taut behind work; repeat from *.

NECKLACE

Cord

With A, cast on 4 stitches leaving 10" tail. Work in I-Cord for 40". Bind off all sts, leaving 10" tail. Make a second cord using B, and leaving 10" tails at each end.

FINISHING

Tie one end of A Cord together with 1 end of B Cord. Tie the other end of A Cord together with the other end of B Cord. Treat the Cords as one now. Secure one end of cords around sturdy chair or table leg. Twist the opposite end around and around until it is very twisty. Allow the Cord to twist back on itself. Attach one half of the toggle closure to the end of the Cord with the loose ends. Attach the other end of the toggle closure to the other end of the twisted Cord, using a jump ring to connect closure and Cord. Attach pendant to center of Cord, using a jump ring to connect pendant and Cord.

Weave in ends.
