K every row until 18" (46cm) rem.

BO all sts.

Thread tail through last st.

Finishing

Weave in ends.

PROJECT TIPS

- *If you come across a knot or decide to use a second ball of yarn, simply overlap the ends for 2 or 3 stitches.*
- *It is recommend to work with Aura directly off a swift, if you have one, or hanging it on a chair arm or over a drawer and pulling a loop or two off at the skein at a time to help keep the yarn from twisting.*
